Welcome Aboard!

Welcome to Joint Task Force Guantanamo (JTF-GTMO)! JTF-GTMO's mission is to conduct the safe, humane care and custody of detained enemy combatants; collect, analyze and report intelligence; and to support legal and administrative processes associated with detention operations.

You have been assigned a sponsor who should be contacting you via email or phone. Let your sponsor know what you need to help your transition to Guantanamo. Our website (<http://www.jtftgtmo.southcom.mil>) has additional information about JTF-GTMO and I recommend you review the site and learn more about what we do.

Again, congratulations on your assignment to join this superb group of men and women conducting this critical "no fail" mission. Your tour will be both personally and professionally rewarding. If you have any questions please contact the Joint Personnel Center at DSN 312-660-8010 or commercial 757-458-8010. Safe travels and I look forward to meeting you here at GTMO!
